HOLLYHOCK

Rich in nostalgia, the Hollyhock is synonymous with the height of Juicy Couture's reign.

Romantic and feminine detailing is blended with iconic crest, contrast embroidery, which allows for a renewed and contemporary take on a classic.

Nostalgica nelle forme e nella combinazione di ricamo e velour, Hollyhock rappresenta la linea che più identifica lo stile Juicy Couture bags. Linee dal sapore retrò si fondono con dettagli romantici e femminili, mentre l'iconico ricamo, realizzato con inconsueti contrasti di colore, ne danno un rinnovato look contemporaneo.

HEART PARTY BAG

Ironic, unexpected, irreverent, Heart combines an iconic Juicy Couture shape with the pastel, metallic light of an arctic afternoon. The body and details merge into a single metallic hue that throbs, reflects and enhances the shapes.

Ironica, inaspettata, irriverente, Heart combina una forma iconica Juicy Couture con la luce pastello e metallica di un pomeriggio artico. Il corpo e i dettagli si fondono in un'unica tinta metallizzata che palpita, riflette ed esalta le forme.

IRIS VELVET

The Iris Velvet bag is presented in soft playful tones and offers a premium yet relaxed style. Stripe detailing and contrast textured embroidery, the Juicy Couture logo stands proud across the bags.

Con una gamma di toni giocosi ma morbidi, la tavolozza rafforza l'idea di una rielaborazione nostalgica. Materiale e forma si ispirano completamente al mondo tessile, rendendo Iris Velour un'estensione del corpo, mentre i ricami a contrasto ne delineano la forma.

IRIS STRAW

With a subtle 70's undertone, the Iris Straw palette considers acid greens, bright pinks and touches of nautical blue, all branded with a contrast logo. Stripe detailing notes to a sporty tone and a relaxed summer, modern finish.

Con un sottile sottofondo anni '70, la tavolozza spazia da verdi acidi e rosa accesi fino a tocchi di blu nautico che animano l'assortimento. Scritte e bande in contrasto ne esaltano lo spirito sportivo e spensierato mentre la paglia con trama maglieria definisce un'immagine inaspettata e rivista in chiave moderna.
